THOUGH FOR THE WEEK

“A journey of peace is possible between religions. Its point of departure must be God’s way of seeing things. God does not see with his eyes, God sees with his heart. And God’s love is the same for everyone, regardless of religion. Even if they are atheists, his love is the same. When the last day comes, and there is sufficient light to see things as they really are, we are going to find ourselves quite surprised” *(Pope Francis Fratelli Tutti 281)*

SPUC

Help stop DIY abortions

During the Coronavirus pandemic unborn babies and their mothers have been at even greater risk of abortion. The Government’s “pills through the post”, brought in as Covid measure, means that over 23,000 women in England and Wales aborted their baby at home during lockdown. Please help us to spread the truth about DIY abortion and save women and babies from the tragedy of abortion.

Will you deliver pro-life information leaflets about DIY abortions door-to-door in your area? Every leaflet could make the difference to a vulnerable woman and save a baby’s life. Please go to our [website](http://www.spuc.org.uk) to learn more and order some leaflets. Or you can order leaflets by calling SPUC on 020 7091 7091.

Sign the petition to save the right to save lives

Pro-abortion MPs in Parliament want to stop pregnant women getting help outside abortion clinics by calling for buffer zones. SPUC is campaigning to save the right for peaceful pro-life vigils to take place. Hundreds of children are alive today in this country because their mother met a loving pro-life person just before they walked into the abortion clinic. We must protect this vital work.

Please sign our petition to save the right to save lives. It only takes a minute of your time, but it could mean a lifetime for an unborn baby. You can sign here: <https://spuc.org.uk/saveTheRightToSaveLives>

NB: those presenting with Coronavirus symptoms or who have been in contact with someone with symptoms should be instructed to stay at home.
